CITY OF MANCHESTER

Board of Aldermen

04 November 2021

Board of Mayor and Aldermen
One City Hall Plaza
Manchester, NH 03101

Re: Request for waiver of fee for police detail

Dear fellow Aldermen,

I received communication from Mr. Daniel Mowery, my constituent in Ward 6 at 112 Holt Ave, regarding a Christmas holiday block party that him, his neighbors and a few other people are looking to organize at and around his residence on Sunday, December 12, 2021, between 4:00 pm and 6:00 pm. The purpose of the block party is to raise funds, which will be donated to Toys for Tots, Station 8 Fire and the Manchester homeless population, while enjoying a holiday gathering for children and their families.

Mr. Mowery previously held a successful gathering on August 15, 2021, and the attendees raised over \$1,100 for the Manchester Mounted Patrol. Such block party was properly sanctioned, Mr. Mowery obtained all necessary permits, and the event was conducted without any issues.

Upon requesting a permit for the December 12 block party, Mr. Mowery was informed of a potential fee of \$500 for police detail for the gathering. Please note that Mr. Mowery has not requested that a police detail is present for the duration of the 2-hour event. Therefore, on his behalf, and in case the Manchester Police Department deems police detail necessary for this event, I respectfully request that the Board of Mayor and Aldermen waives the \$500 police detail fee as well as any other fee beyond standard fees payable to the city to obtain a permit.

This is an all-volunteer community gathering, and the attendees are looking to put together a successful fundraising effort for the abovementioned causes as well as provide an inviting atmosphere for neighbors and visitors.

Thank you for your consideration.

Very respectfully,

Sebastian Sharonov
Alderman for Ward 6
Board of Mayor and Aldermen
Manchester, New Hampshire

Subject: Re Installation Traffic light @ Mammoth Rd, Wellington Terrace Drive and Smith Rd (VA Hospital)

Email: ssakelaris@equivise.com

I understand you are the person I need to speak with after some email correspondence with Lambert, William and Lisha Gillett, I was directed to you. Below is the original email I sent to William Lambert
Thanking you in advance for taking the time to red this

Good Afternoon,

I'm not sure if this is the correct department to inquire about having a traffic light installed at the intersection(s) of Mammoth Rd, Smith Road and Wellington Terrace Drive (across the street from the VA Hospital).

This intersection has become increasingly dangerous in fact, there were three bad accidents this past winter in a span of about 2 months. One of the accidents involved our maintenance manager at the Wellington Terrace Apartment complex. Our maintenance manager used to drive a large pick up truck which was completely totaled. This particular accident involved a large size SUV, and another full size pickup truck.

Not only has the traffic increased, people are not abiding by the speed limit. Any attempts to turn into our complex or cross the road to Smith is downright frightening.

We are unsure what needs to be done in order to have lights installed at this intersection. Any information you can provide will be greatly appreciated

Sincerely,

Sandy Sakelaris

Assistant Property Manager

Wellington Terrace Apartments
