

SPECIAL COMMITTEE ON AIRPORT ACTIVITIES

November 18, 2024 at 5:15 PM

Chairman Sapienza called the meeting to order.

The Clerk called the roll.

Present: Aldermen E. Sapienza, Kantor, Vincent, Burkush

Absent: Alderman Terrio

1. Communication from Ted Kitchens, Airport Director, requesting approval of the Airport Carbon Accreditation Policy.

Alderman Vincent stated I know Ted Kitchens is not here. What are we supposed to do with this? We are not professionals on if this statement meets the criteria of what they are looking for, which I can only assume it is and that is why it was given to us, but it is kind of a cookie-cutter statement. Is this statement what we are approving? The part they are missing was a statement for the policy. This is essentially what is needed.

Chairman Sapienza stated I hear you. It gets a little frustrating having these committee meetings without the department heads here. Has anybody heard anything? Was there any notice? Did he say sorry I can't make it but I am in favor of this? Anything? Is there a motion to table?

*On motion of **Alderman Vincent**, duly seconded by **Alderman Burkush**, it was voted to table the item.*

*There being no further business, on motion of **Alderman Vincent**, duly seconded by **Alderman Kantor**, it was voted to adjourn.*

A True Record. Attest.
